Project Template / Option 2

Overview

Project	Plastic-Free Program
Team name	Mention the list of the names team
Background	
Plastic Free program for the Green Bite restaurant.	
Objectives	<ul style="list-style-type: none"> • List the project’s objectives here • Make sure they are specific and measurable • Add as many entries as needed

Actions

A.1: Selection containers suppliers	<p>Identify and evaluate suppliers who can provide reusable containers.</p> <p>Create a list of potential suppliers, comparing prices, quality, and sustainability practices.</p>
A.2: Plan container distribution	<p>Determine how to distribute reusable containers to customers (e.g., low-cost or free with purchase).</p> <p>Develop a rollout plan for when and how containers will be introduced.</p>
A.3: Create informational signage	<p>Design signage that highlights the benefits of using reusable containers.</p> <p>Position signs prominently in the restaurant, especially at the point of sale and in the takeout area.</p>
A.4: Track plastic usage	<p>Use a simple tracking method to record data consistently (Monitor the amount of single-use plastic waste generated before and after launching the program, Keep a record of how many customers opt to use the reusable containers)</p>
A.5: Assess outcomes	<p>Review the collected data to determine if the goal of reducing single-use plastics by 50% was met.</p> <p>Prepare a summary report detailing the successes and areas for improvement in the program (Evaluation customer participation: Develop a tally system to count usage over time and analyze trends.)</p>

Conclusion

Project Outcomes

Describe the impact of the project here. You can use graphs or charts to illustrate quantitative results.

Recommendations

Take note of any learning points or final steps for the team.
